BRITISH RULER IN MONTREAL

20,000 Acclaim Royal Pair On Leaving Quebec In Streamliner "Palace"

By WEBB MILLER

United Press Staff Correspondent
ABOARD ROYAL PILOT TRAIN, En Route to Montreal, (U) — A stream-lined, rolling "palace" of blue and silver steel carried King George and Queen Elizabeth westward to Montreal where subjects of the Crown were paying as high as \$30 a seat in reviewing stands for a glimpse of the first British monarchs to visit Canada.

The king and queen boarded a special train at Quebec at 9:35 a. m. on the second phase of a journey that will take them twice across the largest of the British dominions and then into the United States. They will reach Montreal, a beflagged city in carnival mood, at 2:15 p. m.

Every precaution known to veteran railroad men had been taken for the comfort and safety of the royal visitors. A pilot train ran 30 minutes ahead of the royal streamliner to see that the tracks were clear; the king and queen could rest in upholstered furniture; and a flick of a switch would put into operation an air conditioning unit.

Quebec was host to the king and queen for almost 24 hours, during which their majesties went through a steady round of formal receptions, luncheons and dinners. Today 20,000 persons gathered around the station to see the king and queen off on their trip.

Before leaving Quebec King George gave his formal assent to the appointment of Daniel M. Roper, former secretary of commerce, as American minister to Canada. When the royal party reaches Ottawa, dominion capital, Roper will be the first American minister to Canada to ever present his credentials direct to the King-Emperor of Great Britain.

Montreal, metropolis of Canada, has a normal population of about 1,000,000, but visitors almost doubled that number today. Fifty thousand seats in reviewing stands have been sold, some persons paying as high as \$30 a seat.

Duncan Bathurst is chairman of the American Legion's Memorial Day Committee, and will assist with the distribution of National and State Flags in decorating the graves of all veterans in the county, an established ceremony in which all the veteran organizations participate.

At the Legion meeting Paul Smith, chairman of the committee for Sons of the Legion, announced motorcycle races to be held at Bennett Memorial Park, Sunday May 28th, 2 p. m. featuring the Capital City Motorcycle Club, of Sacramento. All proceeds will go to the Bugle and Drum Corps fund for the Sons of the Legion. All seats in the grandstand will be reserved.

An announcement concerning the event which was sent out this week states that 50 cyclists will participate in thrilling death-defying stunts; featuring a motorcycle drill team, which will include many daring riders.

Newtown School Reunion To Be Held Sunday

The annual reunion of former teachers and former pupils of the old Newtown School, and their families, will be held Sunday at the school grounds. The plans for the day follow, in general, the program which has been observed in previous years. All former pupils and former teachers of the old school will be welcomed.

EL DORADO COUNTY HIGH SCHOOL BAND, which performs at many school functions during the year and also contributes its services to the support of various community events not a part of the regular school activities program, massed on the courthouse steps Monday night for this picture before forming at the head of the softball parade. The band members are: rear row, left to right, Robert Sinclair, Elton Bacocini, Bill Hutchison, Russell Land, Charles Simpson, Lester Baumhoff, Leland Booth, Rance MacFarland, Arthur Goltz, Louis Reeder, Calvin Wright, Dave Thompson and Cliff Swesey; center row, left to right, Leonard Cecchini, Robert Woodward, Norman Austin, Billy Muir, Vinton Veerkamp, Robert Allen, Don Chadwick; front row, left to right, Eleanor Dugan, Leo Cearly, Robert Zueger, Blanche Hansen, Betsy Faugstad, Doris Onetti, George Bonetti, Duane King, Betty Bergantz, Jackie Corker, Shirley Dixon, Elaine Muir, Norma Kelly, Teddy Yates and Lucille Crowell. 61 More CCCs Assigned To Fire Control

Two more CCC fire suppression crews have moved from their base camps on the Eldorado National Forest to their field locations for the summer, according to Forest Supervisor Edwin F. Smith.

A 12-man crew was installed at the Lumberyard Ranger Station, on the Alpine Highway, and 49 men moved to the Eldorado county camp at the south end of Lake Tahoe.

These crews, which normally spend the major portion of their time on improvement and construction project, may find that the job of actual fire fighting will consume most of their time, if present weather conditions may be taken as an indication of what lies ahead, Smith stated.

MRS. KATHLEEN EATON HONOR GUEST AT GUILD SHOWER

On Wednesday afternoon in the Guild Hall of the Episcopal Church, a delightful tea and shower was tendered by the ladies of the guild to Mrs. Kathleen Eaton, who is to become the bride of the Rev. Barr G. Lee, Archdeacon of the Sacramento Diocese on June 1st.

The hall was profusely decorated for the happy occasion with large baskets of pink and white roses, spiraea, bridal roses and many other varieties of flowers. There was a large gathering of members of the Episcopal Ladies Guild and also many other friends of Mrs. Eaton.

Presiding at the beautifully appointed tea table were Mrs. Marshall T. Kelly, wife of the Senior Warden and Mrs. E. G. Barnard, wife of the Junior Warden and assisting them in serving were Mrs. F. O. Spicer, Mrs. M. G. Baalke and Mrs. U. C. Meyers.

A lovely basket draped with pink and filled with gifts was gracefully presented to the prospective bride in a few well chosen words by Mrs. S. E. Ronzone, president of the Guild. Archdeacon Lee and Rev. Rex and Mrs. Barron were also present at the happy affair.

The marriage of Archdeacon Lee and Mrs. Eaton will take place in the Episcopal Church at Placerville on Thursday morning June 1st at 9 a. m. and the ceremony will be performed by the Right Rev. Noel Porter, D. D., Bishop of the diocese of Sacramento.

Choral Concert On Tuesday

Edw. Murtey, Violinist Guest Artist In Annual Spring Festival By Club

The annual Spring Concert of the choral of the Shakespeare Club will be presented on Tuesday evening at the clubhouse with Edward Murtey, widely known concert violinist, of Sacramento, as guest artist.

The choral will be heard under the direction of its leader, Emerie Rudland, in a group of numbers and in addition, members of the choral have prepared a group of solo, duet and quartet offerings.

The concert given by the choral every Spring marks the completion of the year of work for the choral members and the high standard of the presentation always reflects the hours of study and rehearsals devoted to the choral work by its members during the club year.

Tickets for the concert may be obtained from members of the choral or may be obtained at the clubhouse door on Tuesday evening. There will be no reserved seats.

4-H Council Elects

Ray Veerkamp Chosen Chairman; Meet Next On County Fair Plans

Ray Veerkamp, of Garden Valley, leader of the Kelsey 4-H Agricultural Club, was elected chairman of the county 4-H Club Council at the regular annual election held at a meeting Wednesday night at the Farm Bureau office.

William Dietz, leader of the C. mino Highlanders Club, was re-elected vice-chairman, and Mrs. R. M. Gray, leader of the Union 4-H Sewing Club, was re-elected secretary and treasurer.

Upon adjournment, the council made plans to meet again on August 16th for the completion of plans for exhibiting at the annual county fair. These plans were launched following a short talk by Dr. L. J. Anderson, manager of the fair, who sketched the general plans for the exposition this year and invited the continuing co-operation of the 4-H Club members.

First Telecast Of Ball Game Proves Spotty

NEW YORK. (U)—Television of sporting events moved a step ahead today, but successful picture transmission of wide range spectacle sports such as baseball and football still present many difficult engineering problems.

National Broadcasting Company made the first experimental telecast of a baseball game between Columbia and Princeton at Baker Field over its station W2XBS yesterday. The reception was somewhat spotty, but still it was successful enough to make observers realize its tremendous possibilities.

Most serious present barrier to television is the curvature of the earth. The ether waves will not carry the picture impulses more than 30 miles when broadcast from ground level. N. B. C. has increased the range to 55 miles by casting from the top of the 102-story Empire State building.

PLACER JUNIOR COLLEGE MAY RUN BUS TO PLACERVILLE

The officials of Placer Junior College, at Auburn, were reported Thursday as being sufficiently interested in serving students from El Dorado County that a bus will be put in operation between Placerville and Auburn at the expense of the junior college if a sufficient number of students is registered from this county.

In this connection, Dean Olson, of the Placer Junior College, will be at the El Dorado County high school Tuesday morning, May 23, at 11 o'clock to interview pupils among the graduating class who may be interested in attending the Auburn school.

Principal B. E. Larson states that any resident of the community other than a high school pupil, who is interested in attending the Placer Junior College, is welcome to visit the high school Tuesday morning and meet Dean Olson.

DIAMOND GIRL SCOUTS HAVE 3-DAY VISIT AT EXPOSITION

Diamond Springs Girl Scouts and their leaders spent Friday, Saturday and Sunday at San Francisco, attending the Golden Gate Exposition, and returned with memories of a trip filled with exciting times, new adventures and wondrous things seen.

The Girl Scouts and their leaders, with the support of the community, had raised a fund sufficient to pay their expenses for a Saturday and Sunday trip and after some figuring, it was arranged that the fund raised would be used to pay half their expenses, and each Girl Scout would pay half her expenses, and thus provide money enough for a longer stay at the fair.

The eleven girls, with Mrs. Laura Hall and Mrs. Ruth Newman, made the trip to the fair by boat from Sacramento Thursday night. They were quartered at the Mark Twain Hotel while in "the city" and returned by boat Sunday night.

During their stay at Treasure Island, they took advantage of the various special arrangements made for entertaining groups of school children and, all in all and in a few words, certainly had a grand time.

"HAM AND EGGS" ADVOCATES THROG SACRAMENTO

Gov. Olson Declines To Address Meeting; Leader Claims 75,000 In Delegation But Officials Make Provision For 10,000

By JOHN W. DUNLAP

(United Press Staff Correspondent)

SACRAMENTO. (U)—Thousands of "Ham and Egg" pension advocates came to Sacramento today to ask Governor Culbert L. Olson to call a special election on their "30 Every Thursday" plan.

Their leaders planned to present to the governor petitions bearing a half million names. Olson said he would make no advance promises, that he merely had agreed to meet with a committee to hear its appeal

for an immediate vote instead of waiting until the general election in November, 1940.

Chairman Willis Allen of the "Ham and Eggs" optimistically predicted the pension marchers would total between 75,000 and 100,000. A figure closer to 5000 or 10,000 was anticipated.

A parade was the afternoon feature, although the city council turned down an application for participation of 1000 cars and granted the pensioners a permit for only 30.

The pension march will be climaxed at a mass meeting tonight at the state fair grounds, at which Allen and his board of directors will speak in a statewide radio broadcast.

Governor Olson declined to address the mass meeting. He received heavy support from pension voters during the last November election but has discreetly remained "off the record" as to his stand on the issue.

Fairground officials said they were preparing for a crowd of about 10,000 tonight, in contrast to the claims of promoters that five times that number would attend.

Mrs. Scherrer Named Acting Postmistress

WASHINGTON. (U)—The Postoffice Department today named Anna W. Scherrer acting postmistress at Placerville, Calif.

Mr. Goyan was a son of the late Frank and Susan Goyan, early pioneers in El Dorado County and received his education in this county.

He had resided at Eureka for thirty-four years, being employed as an interior decorator with a furniture company prior to establishing his own business. Before moving to Eureka he was employed in a position at San Francisco and at Sacramento.

The funeral services were held Saturday afternoon from the Pierce funeral chapel at Eureka with the Rev. Adam Bird, of the Methodist church, officiating.

Labor Camp Inmate Is Hauled From Creek

When Oscar Stinger returned to his home on Cedar Ravine Wednesday evening he heard a noise as though someone was calling for help and upon investigation found a man in the creek, clinging helplessly to the bank.

Stinger called City Officer John Bathurst who assisted in lifting the man from the creek and the man, upon being hauled out, collapsed.

He proved to be an inmate of the state labor camp at the head of Cedar Ravine and was sent on to the camp in the care of other inmates with instructions to have first aid attention given.

Numerous others of the camp, lingering too long at the flowing bowl, have fallen into the creek prior to this time but their situation was not serious because of the little water in the creek. However, with the irrigation season now under way, there is a good flow in the creek and anyone under the influence of liquor who falls therein is almost immediately in trouble.

Literary Group Hears Talk On Author

Ladies of the L. D. S. Church held their regular May literary society meeting Wednesday night at the home of Mrs. June Longhurst.

Mrs. Kate Lindsay gave a very interesting review of the life of Edgar Allen Poe, pointing out in several instances what inspired this great American poet, in his best works.

At the close of the discussion, dainty refreshments were served by the hostess. It was decided that the next meeting will be held, the third Wednesday night in June, at the new home of Mr. and Mrs. Clyde Curtis which is just being completed in the Cedar Ridge subdivision. Present at Wednesday's meeting were: Mesdames Dee Narkaus, Nellie Curtis, Bonnie Killian, Iva Miller, Kate Lindsay, Ana Anderson, Goldie Baker and June Longhurst.

Land Heads Scout Unit

Scoutmaster Parnell Resigns Owing To Work Requirements

At a meeting of El Dorado Post No. 119, American Legion, Wednesday night at Veterans' Memorial Hall, previous action of the Boy Scout Troop, Committee of Troop 67, in appointing Carol G. Land as Scoutmaster of the troop, taking the place of George Parnell, resigned, was ratified.

Land who has been active in Scouting for the past 15 years or more, both here and Berkeley, was selected by the committee as the proper man for the post, when Parnell was forced to resign because his work as night foreman at the mill of the Placerville Lumber Company, would interfere with his Scoutmaster duties.

Land has been a tireless worker in the interest of Scouting, having served for the past seven years or more as assistant Scoutmaster of Troop 67 and is well liked by the boys. Before coming to Placerville, Land was Scoutmaster of a troop at a Berkeley school at which he was also an instructor.

Plans for the future for the troop as outlined at Tuesday night's session of the troop committee, according to James P. Morton, chairman, calls for an overnight hike to Chile Bar this Saturday night, at which place a practice camp will be held in preparation for a Camporee to be held at Pollock Camp on the Sacramento River, near Sacramento, on May 27 and 28. The entire El Dorado District will take part in the Camporee. "We plan on having at least three patrols at the Camporee," Morton said.

Plans for summer camp at Lake Audrain, regular Scout Camping grounds, are now being mapped as well as other programs for the season, Scoutmaster Land indicated.

Clubwomen At Meeting In North Sacramento

A number of the members of the Placerville Shakespeare Club went to North Sacramento on Thursday to attend a meeting of the Tri-County Women's Club Federation, which was being held in conjunction with a meeting of the Sacramento County women's clubs, at the invitation of the latter group.

Among those who made the trip were Mrs. Mary Hand, Mrs. Robert Sinclair, Mrs. George Van Vleck, Mrs. Harriett Amstalden, Mrs. Minnie Gilmore, Mrs. William Albright and Mrs. Agnes Ailman.

Mrs. Mabel Veerkamp was among callers in the county seat from Garden Valley on Tuesday.

Neighborhood NEWS

LOTUS

The past week has been mostly cloudy days and some warm weather. On Friday last the mercury reached 92 degrees and on Saturday we had our warmest day for the year with the mercury standing at 94 from 11 a. m. until 2 p. m. The coming month of June is generally our hottest but the month of June for 1937 and 1938 was cool as compared with years farther back.

We notice school election notices for the office of school trustees have been posted calling for the election on Friday, June 2nd.

Archie Lawler went down to the McCullough ranch Monday to help the McCullough Bros. drive their large band of cattle up to their mountain range for the summer. We may look for the cattle to pass through our town within a few days.

Quite a thunder storm visited our town about 6 p. m. which lasted for but 15 or 20 minutes. No damage was done but it was sure quite a down pour while it lasted.

Our school here which has been taught for the past nine months by Mrs. Belle Esper will close on Friday, May 26th. We learn that the teacher and her scholars will join with the Coloma and Granite Hill schools on a dall hold an afternoon picnic at the Marshall Park in Coloma as they have done in the past.

Among those who met at Litten Grove to take in the Mothers' Day Picnic were Joe Hansen and wife and a number of others from here and at Coloma. Mrs. William Potter, of the Four Corners, showed her good will by taking a number of school children and her two daughters, Mildred and Wilma, down in her truck, making quite a load. All had a grand time with the large crowd on the grounds and much enjoyed the nice day. Many thanks to Mrs. Potter for her kindness in taking many of our school children from here to the picnic.

Sports Parade

By HENRY McLEMORE

NEW YORK. (UP)—Let's call the whole thing off. Right now, before summer sets in and it gets hot, sticky and uncomfortable.

Let's call off the American League race. I mean. What's the use of playing out the schedule just because some misguided soul arranged it for 154 games under the delusion that it would take that many to decide the winner? The Yankees are in, to be quite truthful (which is a rare thing, indeed, for me) They were in during spring training and the only real excuse for starting the American League season at all was to allow Mayor LaGuardia to show off his new spring hat.

Since the race started things have gone from bad to worse, and the Yankees now threaten to lap the field and become the first team in history to win two years' pennants in a single season. The Yanks have been damned sporting about the whole thing. They benched Lou Gehrig, the powerhouse of their attack for 2130 consecutive games, and prevailed upon Joe DiMaggio, the Italian version of Cobb, Speaker, Ruth, and Wagner to pull an important muscle and retire to the players' club for a spell.

The loss of these two gentlemen figured to have a very depressing effect on the Yankees, and when they opened in Detroit without Joe or Lou one paper went so far as to chortle in a headline: "Yankees disintegrating."

That very afternoon the dispirited New Yorkers beat the Tigers 22 to 2 and the same newspaper apologized with this classic headline: "Yankees disintegrate all over the Tigers." with a new man on first base, and substitutes in the outfield, the Yankees won ten or twelve games on the road, and opened their home stay in the stadium by thumping the St. Louis Browns.

The presence of the Browns in this city doesn't make much sense, unless their manager brought them here for a trip through the World's Fair and its educational features, including a course at Christy Walsh's baseball school for boys. It costs money to come from St. Louis to New York. Besides, a night in an upper berth isn't any too comfortable. Why didn't the Browns just stay at home and in an exchange of wires concede the Yanks a clean sweep in the series? They might even have driven a bargain by wire and lost only three or four games.

The Browns being here is just as ridiculous as making the Yanks go out there later in the summer, when the temperature and the humidity have at one another to see which can inflict the worst punishment on baseball players. By the same token, why should the Yanks ruin a perfectly nice summer day by traveling around asserting a superiority that is already recognized? It's no fun for the other clubs, either. Don't you think that Lefty Grove of the Red Sox, getting a bit old now and pretty sick of trying to make that tired arm of his act like a youngster, would rather spend the next three months fishing and swimming than pitching for a hopeless cause? Or that Rollo Hemsley would much prefer to linger in the shade of a nice beer stub than in the dust and heat behind home plate at Cleveland?

The thing to do is to concede the Yanks the pennant now, give second place to the Red Sox, let the Tigers and the Indians match for third and the remaining four clubs draw out of a hat for the second division positions. By doing this a lot of futile work would be avoided, and besides, the Yankee players might become fat and lazy during idleness and thus give the National League pennant winner some sort of a

SOFTBALL HAS AN INTEREST for the fans as is shown by the top photo of a section of the grandstand at the league opening games Monday night at Marcus P. Bennett, Jr., Memorial Park. Everyone seems intent upon watching the play except Charles Bloom, one of the most consistent supporters of the league, who peaked at the photographer as the picture was taken. In the middle photo are the members of the California Door Company Girls team, as they marched in the parade which inaugurated the season. In the lower photo, Umpire Sam Hern bawls, "Stee-rike tuh" as the Calder Girls catcher, Jean Arnold, prepares to return the ball to the pitcher, while Shortstop Tingle, of the Placerville Cubs, seems to be vowing that she'll knock the next one clear out of the lot.—Pictures by The Democrat photographer.

chance in the world series. Not much of a chance, mind you, because boys, there is a league that only a Ford Frick could love. Remind me, the next time I see Ford, to ask him, if he were a baseball writer again, what he would write about the lifeless teams that are now pretending to run a race under his silks.

Here's One For Soup Makers

Says Dorothy Greig

In making vegetable soup at home, Remove all trace of doubt; Put in a can of soup (condensed)

To sort of round it out. The little stunt of adding a can of condensed vegetable soup to your own soup does wonders to enrich its flavor and give it heartier substance. Along the same line is the thrifty suggestion of simmering the bones of Sunday's roast and then adding condensed soup to the resulting stock. The proportions are: 1 can of condensed vegetable soup to every 1½ cans of beef stock, using the soup can as a measure. Or, as a variation, use condensed tomato soup in place of the vegetable soup. That's good, too.

Never has there been such interest shown in golf in El Dorado County as today and each week brings new names to our membership.

New members so far for the month of May include Pauline Watkins, Paul R. Smith, George Sayers, Mrs. Harry Rose, Mrs. Gerald Rasmussen, Paul Perkins, W. A. North, Bert Meacham, Howard Hoover, Elbert Gray, Mrs. A. Church, Albert Church, Bill Castle, Dr. Bryan, John Burcham, Mrs. Beatrice Burcham, Mrs. Santo Bartalucci and Stanley Beach. All are very enthusiastic golfers.

Mothers' Day was a bad day for

the start of the club championship and only five of the eight matches were played. Results saw Bob Patterson defeat Seth Beach, 4 and 3; Frank Peterson defeat Phil Reeg, 3 and 2; Ben Larson defeat Bron Smith, 2 and 1; Norman Chamberlain defeat Bert Meacham, 6 and 4 and Dana Murdock defeat Joe Hearn, 3 and 2.

Matches still to be played send Leo Barrett against Bob Patterson, Ronald Cook against M. T. Kelly and J. C. Wilson against Leo Burger.

George Campbell, employed at the Amos and Andy wrecking yard, reported as under treatment at a Sacramento hospital for an infected hand. We are unable to confirm the report that the infection resulted from a mishap in welding operations.

Mr. and Mrs. Fred Baumhoff and son, Oscar, left Thursday for their home at Centerville, Idaho, following a visit of several weeks here with relatives and friends.

Rescue Club

Members of the Rescue 4-H Club with their parents met at the home of Mr. and Mrs. George Wing on the evening of May 10. The evening was spent in making popcorn balls and candy which was sold by the club at the Mothers' Day picnic on May 14th. Several varieties of candy were made with the best results. Mixing pleasure with business proved to be just the thing for everyone had an enjoyable time.
